Directors,

We appreciate your efforts to support older Ohioans during this COVID-19 emergency and know that our collective energies are being stretched in new and unique ways as we assist our communities. With this in mind, we want to inform you that we are suspending all ODA on-site program and fiscal monitoring until further notice. We want the efforts you would have put into preparing for these monitoring visits to be available for the higher priorities of serving our citizens.

If you have issues of immediate risk or believe our monitoring teams can help you as you navigate your changes in operations, please reach out to our new Chief Financial Officer, Jeff Jordan, at [jjordan@age.ohio.gov](mailto:jjordan@age.ohio.gov).

Thank you for all that your agencies are doing to support older Ohioans and your communities during this time.
