RE: Surveying ADS Providers for Other Services

CONTACT: Karen Boester 614/752-9182 email: kboester@age.ohio.gov
Meredith Finley 614/644-2184 email: mfinley@age.ohio.gov

Background

On March 21, 2020, Director Amy Acton, of the Ohio Department of Health, ordered all Adult Day Centers (ADS) closed, effective March 23 during the Covid-19 emergency.

Purpose

ODA is seeking information regarding which ADS providers **not** providing other PASSPORT waiver services, who may have an interest in providing Personal Care, Home Delivered Meals and/or Transportation services in the community.

Please survey ADS providers (who are not currently providing the above identified PASSPORT waiver services) in your region for their interest in providing any of the above services to PASSPORT individuals. PAAS may note other services, a provider indicates interest in providing.

Attached, is an Excel workbook listing all ADS providers and the services the ADS provider is currently certified to provide (duplicated and unduplicated), talking points and a questionnaire to document an ADS provider's interest. Please complete this survey with each of the providers in your region and return to ODA through the Provider_Network_Mgmt@age.ohio.gov email box by April 20, 2020.

Please direct questions to the contacts listed above.
