Executive Summary

The Ohio Department of Aging develops a strategic framework, required by the federal Older Americans Act, to provide leadership that improves and promotes quality of life and personal choice for older Ohioans, adults with disabilities and their families and caregivers. The most recent framework, or state plan, covers federal fiscal years 2023 through 2026.

Ohio's new State Plan on Aging implements a collaborative approach that stands

**“It always seems impossible
until it’s done.”**

- Nelson Mandela
